

## LOCAL DIRECTOR ANNOUNCES ADVANCE SCREENING OF SHORT FILM “*SUPERHERO ME*”

Fork the Man Productions is pleased to announce their new film *SUPERHERO ME* will have an advance screening at **Mayne Stage** (1328 W. Morse Ave, Chicago IL) on February 24, 2013 at 7:00 pm.

Filmed in Chicago’s North side neighborhoods of Rogers Park, Lincoln Square, and Lakeview, *SUPERHERO ME* explores the question of what happens when we are the one holding ourselves back. It is not your ordinary superhero movie-- no lycra, no costumes. Our hero is loved by his community for his heroic deeds, but he's not loved by himself. He attempts to reconcile his extra-ordinary gifts with his self-perceived social awkwardness. His journey of discovering who has the truest perception of him is set to the music of Dolly Varden, Jason Harrod and Tony Furtado.

*“The concept is an everyday Superhero who is at the right place, at the right time, and knows what to do. At moments he experiences out of the body experiences which I think the audience can relate to,”* explains Producer and Director David Bradburn. His artistic vision is brought to life with the help of Italian Director of Photography Caleb Burdeau, as well as local leading actors Craig James Jr. and Jacob Moore.
